PERSONAL STATEMENT

A determined and highly organised individual, with a strong work ethic and proven ability to take responsibility and work under pressure with little or no supervision, I am an Electrical and Electronics Engineering graduate with an overall second-class upper division from Loughborough University, United Kingdom. I am now looking for graduate positions to develop my skill-set and kick start my career in my field of study. I have gained relevant experience by working in a fast-paced environment, working with people as a team, approaching internal/external customers to satisfy their needs and hitting required targets.

KEY SKILLS

IT and PROGRAMMING PROFICIENCY – Self-taught front-end web developer with (HTML5, CSS3 and SASS, JavaScript, Bootstrap) and an Intermediate level of programming languages such as python, C++, Unity Gaming Engine (C#), and literate with the Microsoft office suites such as Microsoft word, Microsoft excel and Microsoft power point.

TEAM WORK - Having been promoted to a bar supervisor usually in charge of 4-6 staff, I developed a strong sense of working effectively in a team and as a leader ensure staff are comfortable working as a team to satisfy customer needs and hit the main target and objective of the team. I have also worked in a group of 4 as the software engineer in charge of coding and programming a parallax boe-bot robot to perform a wall maze navigation for a project.

COMMUNICATION - I speak English language fluently and write in English, I also speak Pidgin and an intermediate level of Yoruba language.

INDEPENDENT WORKING – My University really encouraged independent studying, time management and self-discipline. Such as writing in class test, online tests, writing and studying for examinations, researching and completing a coursework, and most importantly the final year project which was between me and my supervisor.

ORGANISATION, LEADERSHIP AND MANAGEMENT – Being a room head for 5 consecutive years among other positions (most organised senior, maintenance prefect, assistant hostel prefect, most looked up to senior) teaches you about planning, organisation, self and people management.

INTERESTS AND ACHIEVEMENTS

- Traveling and exploring new places.
- Listening to music, hanging out with friends, playing any sport.
- Learning new things about different culture.
- Maintenance/assistant hostel prefect boy
- Gold and silver medallist for interhouse sports (2012-2013)
- Certified windows XP OS installer (2011)
